AREA II COMMAND POLICY #1-12

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Area II Army Substance Abuse Program 180 Day Incentive Award

1. REFERENCE: AR 600-85, Army Substance Abuse Program (ASAP), 1 Oct 01.
2. PURPOSE: This policy provides guidance and establishes responsibilities for awarding the Area II ASAP 180 Day Incentive Award to units meeting the criteria required in this Command Policy Memorandum.
3. APPLICABILITY: This policy applies to all units participating in the Area II Risk Reduction Program.
4. GENERAL:
 - a. The Area II Commander rewards units displaying good conduct by not having an Alcohol-Related Military Police Blotter Incident (ARBI) for 180 consecutive days and for conducting all required monthly drug testing during the quarter. This program applies to all units participating in the Area II Risk Reduction Program. Any other units in Area II desiring to participate will require a written request from the unit commander to the Area II Commander for inclusion in the program.
 - b. A guidon streamer will be provided to the brigade/battalion commander for presentation to the unit at the first 180 day mark and at annual marks thereafter. It is suggested the brigade/battalion commanders authorize a training holiday for each 180 day compliance. The brigade/battalion commander will determine the training holiday date if authorized.
 - c. The Area II Alcohol and Drug Control Officer (ADCO) will review all Area II MP Blotters on a daily basis and identify alcohol-related offenders. An ARBI occurs when a soldier is the subject in a MP Blotter Report that is alcohol-related. The ADCO will notify Unit Prevention Leaders when companies qualify for the Area II ASAP 180 Day Incentive Award.

IMKO-AB-HRA (600-85a)

SUBJECT: Area II Army Substance Abuse Program 180 Day Incentive Award

d. The company guidon streamer will be revoked and returned to the Area II ADCO, if an ARBI occurs. The company will be eligible for the streamer when the unit again achieves 180 consecutive compliant days. The unit chain of command is responsible for returning streamers to the Area II ADCO no later than the next duty day after notification of an ARBI.

5. RESPONSIBILITIES AND PROCEDURES: The proponent for this Command Policy is the Area II Army Substance Abuse Program (ASAP) Community Counseling Center, Directorate of Morale, Welfare and Recreation (DMWR), Area II Support Activity, 736-5187.

6. This memorandum supersedes Command Policy Memorandum #1-12, EANC-SA-CCC, 10 Mar 04, subject as above.

RONALD C. STEPHENS
COL, SC
Commanding
